v.

ROBERT KARIUKI;  
GARY VONERICHSEN;  
JOSEPH DELACRUZ;  
JOSUAH HANCOCK;  
\*JEREMY REEVES; and  
PHYLIS KIHUYU,

Defendants

I don't know who if anyone downloaded the movie as David Lowe alleges. I don't know who would have information for him. I asked friends who routinely visit me, none of them said they did it or know who did. If anyone I know did this it's not because I gave them permission or knew about it. I would ask a few of the neighbors and kids in the neighborhood that I gave my WiFi information to a long time ago but I don't think I really have a right to probe them for information on their computer activities and I don't want to damage my future relationships with them. Some parents might get really pissed off at me if I start interrogating their children. I have since changed my password and have stopped sharing my wifi with anyone. If Plaintiff wants to come and ask around the neighborhood he is welcome to do so. If any information surfaces I'll be sure to inform the Plaintiff and the court.
